Salary Adjustments from Retroactive Pay Increases

REFERENCE: Memorandum from Office of General Counsel dated 2 February 1953,
same subject

1. In the referenced memorandum the Office of General Counsel states that it is necessary to require repayments of amounts considered as overpayments under the Comptroller General's interpretation of Public Law 201 (E-106337). The opinion was expressed in reply to an inquiry submitted by this Office and concurred in by the Comptroller's Office.

2. Pursuant to this memorandum, the Personnel Office has reviewed its records of all personnel actions processed during the period 8 July 1951 to 25 October 1951. Attached hereto is a list of vouchered employees who must make a refund of overpayments under the salary adjustment requirement.

3. It is requested that your office contact these employees to advise them of the necessity for making a refund and to make arrangements therefor. In order to avoid duplicate explanations, this Office will not contact the personnel involved.
